

Bronte Scarf from A Yorkshire Fable

Correction to Chart, Row 97:

If knitted as written, Row 97 contains one extra decrease, and would result in 78 stitches instead of the required 79.

The chart row should read, right to left: K2tog, yo, k5, yo, SSK, k1, k2tog, yo, k4, k2tog, yo, **k1**, yo, skp....etc.

(Replace the first skp with a k1, thus eliminating the one extra decrease.)
